Time 03:00 pm
Location WA Meeting Room - WA6 Room 10

Attendees

Jason Gerbes, Joshua Son, Paul Lee, Sean Young.

Minutes Recorder

Paul Lee & Jason Gerbes

Absences

None.

Meeting Agenda

- The group will discuss the requirements for the project proposal.
 - Tasks will be assigned to each group member, as part of creating the project proposal.
 - The proposal document skeleton will be drafted by the group.
-

1. Approval of minutes of the last meeting

- 1.1. The group is in agreement that the minutes of the last meeting are an accurate record.
-

2. Discussion of Project Development

- 2.1. Discussed components of the project proposal document.
 - 2.2. Created a skeleton structure of the project proposal document.
 - 2.3. Assigned jobs to each member as part of creating the proposal document.
-

3. Meeting Arrangements

- 3.1. Jason will share contact info of Luminary Promotions on the Group's Facebook page; obtain information on Agile project development; clarify the reasoning for choosing agile development; create the meeting minutes documents and research the possible deployment methodologies for the application (with consideration of the storage and cellular data limitations).
 - 3.2. Josh will research Luminary Promotions, obtaining information about the company and its Director (Ahmed); and will research preexisting Augmented Reality technology (specifically the implementations in the US and UK that Ahmed mentioned).
 - 3.3. Paul will research development in Unity; and will research geolocation technology.
 - 3.4. Sean will research development in Euphoria; and will discuss the various content types used with Ahmed.
-

4. Adjournment of Meeting

- 4.1. There being no other business, the meeting was adjourned at 04:30 pm.
-

5. Next Meeting

Date 18 March 2015
Time 12:00 pm
Location To be decided.

The group will meet with Roopak to discuss our intentions for the project proposal.
