Meeting Agenda

- The group will meet the client (Ahmed Almukhtar - Luminary Promotions).
 - The client will explain the intentions of the project to the group.
 - The group will ask the client prepared questions about the project.
 - Roopak will discuss the project process with the client.
-

1. Approval of minutes of the last meeting

- 1.1. The group is in agreement that the minutes of the last meeting are an accurate record.
-

2. Discussion of Project Development

- 2.1. The project scope is flexible and will depend heavily on our input; we are making a platform for Augmented Reality content; we will not be producing the content.
 - 2.2. Development will likely take place in Unity and/or Euphoria.
 - 2.3. We will potentially deploy the application on iOS and Android.
 - 2.4. Some 3D content may be purchasable on Unity if needed.
 - 2.5. Luminary have UX designers that will be able to assist us.
 - 2.6. Some preexisting AR apps may need to be researched (US and UK apps, meta.io).
 - 2.7. The geolocation technology component will be used to measure foot traffic of users.
-

3. Meeting Arrangements

- 3.1. Jason is to arrange a time and date for the project proposal presentation.
 - 3.2. Josh will set up a meeting room for Friday's meeting.
 - 3.3. Sean will upload the recording of the meeting to the group's Facebook page.
 - 3.4. Group members should download Luminary's M2 application.
-

4. Adjournment of Meeting

- 4.1. There being no other business, the meeting was adjourned at 01:05 pm.
-

5. Next Meeting
